**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Having access to competitive coverage is very important to me. Living in Santa Rosa means there are areas that are underserved because they are not profitable to big companies. Without competition rates will skyrocket. Broadband is critical to my business and the market must be kept open.
